BE SANE AND SENSIBLE WITH YOUR NERVE FORCE

Don't Try to Lash It Back to Health, but Lead It Gently with the Mud-lavia Treatment.

To give drugs to stimulate an over-worked and exhausted nervous system, is like the stimulus of the lash to an exhausted donkey; it either kills outright, or induces an unnatural effort, which can only be exerted temporarily, with the certain effect of falling into greater exhaustions.

Why not go to Mudlavia for a bit and get rested, while your bowels and blood, brain and other tissues are being cleaned of all poisonous waste matter? Ask your doctor.

For booklet write R. B. KRAMER, Business Manager Mudlavia, Kramer, Indiana.
